Kathleen, the final versions of the 120 day TSDs that were converted to pdf were named : 2 digit state code_120d TSD_final_staff initials of person making final review. That being said, I see where the Wisconsin file named using this convention was changed on March 19 by Liz Naess. Liz, can you tell us if you made any changes, and if so what changes? I think it is also possible to get the December final 120 day TSD from the saved versions but Carrie will have to help with that.

Deliberative Process / Ex. 5

Thanks,
Denise
